Voting by Absentee or Mail:

- **Absentee Voting In-person:** For those unable to make it to their local polling place on election day. General Election voting starts September 22nd and ends November 2nd. Bring your ID and a mask to vote at your local election board.
- **Absentee voting by mail:** To vote absentee by mail, fill out a request form and return it in person, by mail, by fax, or email to the local election board. You will have to provide the reason you need to vote absentee on the application. Once you receive your absentee ballot by mail, complete it ASAP and check to see if a notary will be required for your absentee mail-in ballot. Some absentee ballots in COVID-19 at-risk categories will not require a notary and will be listed on the request form you fill out.
- **Mail in Ballots or "No-Excuse" requests: Notary Required.** Due to Covid-19, you can also request a Mail-in Ballot without a reason. Fill out a request for mail-in ballot and return it in person, by mail, by fax, or email to the local election board. **The election board must receive your request form for an absentee/mail-in ballot by October 21st by 5:00 pm.** Once you receive the mail in ballot, complete it ASAP and make sure to NOTARIZE THE BALLOT ENVELOPE. The Ballot must be received via USPS by the local election board on November 3rd, 2020.
